

INDEPENDENCE CO-HOUSING PROJECT

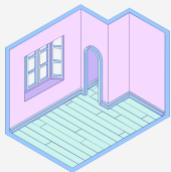

Previously known as "îlot cacao"

From a renovated old chocolate factory to cohousing project in Molenbeek-Saint-Jean. It is composed by 31 apartments ready to live in and still 5 to build, a central courtyard, garden, fountain, common and private terraces and multipurpose rooms.

Within this future cohousing we can enlight some ideas:

700 m2 of common spaces where art, culture, knoweledge and many more will be shared

Bike workshops; concerts....

A cohousing focus on DIVERSITY within the group and FRIENDLYNESS in a family atmosphere to live among SOLIDARITY

Common meals, movie projections, board games, children's playroom...

Green areas thanks to a shared garden in the central courtyard

Shared kitchen garden, orchard

An open space to EXCHANGE within the cohousing but also with external partnerships from the neighbourhood.

Art workshops, co-working spaces, shows and exhibitions....
